Relay For Life

Relay For Life is the Society's signature event and a means by which we accomplish our mission:

To honor those who have survived the disease and to memorialize those who have died of cancer.

To provide information about early detection and risk reduction as ways of decreasing cancer deaths

To raise funds to provide research money and services to patients

Thank you for participating in the 8th Annual Beach Cities Relay For Life 2007 and for your contributions to the American Cancer Society.

The American Cancer Society

The American Cancer Society is the nationwide community based voluntary health organization dedicated to providing hope for the future, progress towards a cure and answers to cancer questions and concerns.

Our goal for the year 2015, is to reduce cancer deaths by 50%, reduce the incidence of cancer by 25% and improve the quality of life for cancer patients and their families.

For more information about patient services, programs, fundraising events and volunteer opportunities please contact your local American Cancer Society office:
